# Inside Homework Help

## What's inside?

After you have successfully registered, you will be taken to the main page of the Homework Help website.

### 1. Review 24/7 resources:

- Best Sessions
- Listen & Learn
- Tutorials

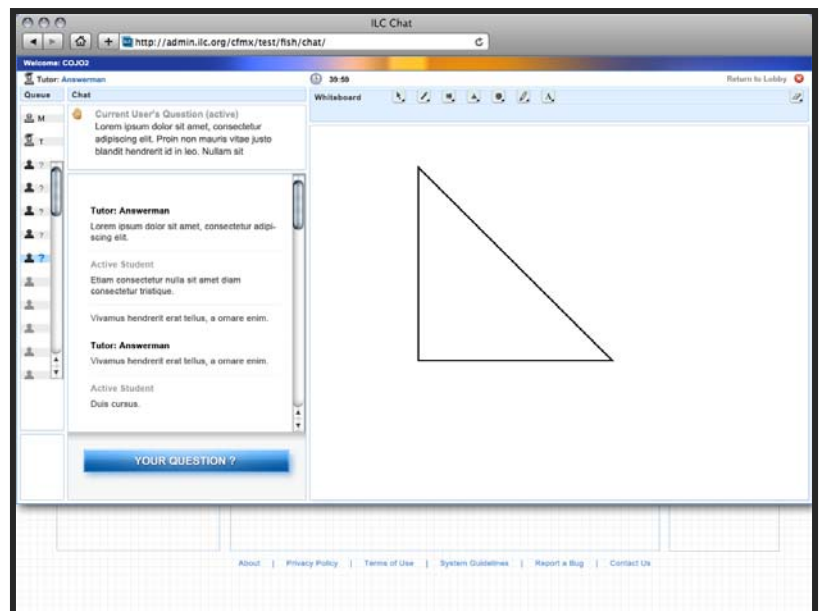

These resources are available to help students 24/7 even when the Tutor Chat Rooms are closed.

### 2. Click 'Watch the tutors in action' to demo the chat:

- How to choose a grade
- How to select a tutor and enter a chat room
- How to ask a question
- How to use the interactive whiteboard
- How to access the Locker

#### Points to remember:

- Tutor Chat Rooms are open **Sunday to Thursday from 5:30pm to 9:30pm**
- Students can watch and learn without asking a question
- When a student asks a question, their chat session will automatically be saved to their **virtual Locker** (located on the main page)

### 3. Continue exploring the Homework Help website:

- Locker
- Scientific Calculator
- Glossary
- Change Profile
- Search our site
- Poll

### 4. Homework Help is Free & Anonymous!

The Homework Help website is free and available all year long. The online tutors are always ready and willing to help with any math homework question.
